Programme Types	PLEASE NOTE:
3-Year Foundation Programme	1. All FP 2024 programmes are subject to change in relation to placement order, specialty, length, site and Trust.
Community Placements	2. Queries regarding terms and conditions (including accommodation and pay bandings) should be directed to individual Trusts
Community facing	3. Foundation doctors must be able to fulfil the travel requirements associated with placements.
General practice	4. Programmes 019 to 021 have been selected for the Foundation Priority Programme (FPP) scheme, and will initially only be available for preferencing for applicants to FPP. In the event that they do not fill through the Foundation Priority Programme scheme, they will be converted back into standard Foundation Programmes and allocated based on applicant rank and preference in the main FP vacancy.
Other Community Placement	
Psychiatry	
Psychiatry (Acute Hospital)	5. Programmes 182 and 208 have been selected for the Three Year Foundation Programme and should only be ranked highly by applicants wishing to undertake a 50% Clinical/50% Educational F2 over 2 years.
