Programme Types

3-Year Foundation Programme
Foundation Priority Programme (FPP)

Community Placements

Community facing
General practice
Other Community Placement
Psychiatry

PLEASE NOTE:

- All FP 2023 programmes are subject to change in relation to placement order, specialty, length, site and Trust.
- Queries regarding terms and conditions (including accommodation and pay bandings) should be directed to individual Trusts
- Trainees must be able to fulfil the travel requirements associated with placements.
- Programmes 001 to 027 have been selected for the Foundation Priority Programme (FPP) scheme, and will initially only be available for preferencing for applicants to FPP. In the event that they do not fill through the Foundation Priority Programme scheme, they will be converted back into standard Foundation Programmes and allocated based on applicant rank and preference in the main FP vacancy.
- Programmes 182 and 208 have been selected for the Three Year Foundation Programme and should only be ranked highly by applicants wishing to undertake a 50% Clinical/50% Educational F2 over 2 years.
